5. Discussion, Consideration & Possible Action on Review of Executive Director's Position and Salary.

**The Board may vote to go into Executive Session for the purpose of discussion and consideration of personnel matters pursuant to A.R.S. §38-431.03 (A) (1).**

Gary Begley, spoke to the Board members and reviewed the last year of the Executive Director, Position and Salary.

- Sunset Review took place which was very difficult and stressful for staff and Donna and it was determined that the agency had done a good job and were recommended to be continued for ten-years by the House Commerce Committee.
- Legislators – our agency deals with legislators more than ever – high profile as an industry – we are important as an industry, we have come a long way.
- Fought many Battles – Fish Pedicures, we have been watched nationally while fighting this battle. Department of Education, language from the Department of Education had the potential to cause all of our schools not to get paid and to eliminate student loans. This Board has been able to make the changes necessary to support the schools and students.
- NIC – very high involvement on a Board level and Arizona is looked at as a leader in Aesthetics.

All of this goes back to the staff, Donna, Bridget and this Board. Gary Begley has determined that this Board is doing what they should be doing. The staff and leader are doing what they should be doing and in a meeting with Donna were it was of Gary Begley's opinion that Donnas work merited an increase of pay, Donna's opinion was she wanted to support her staff and she wanted to forgo any personal benefit. Gary Begley noted that was very commendable of Donna.

6. Discussion, Consideration & Possible Action on Requirements for Reciprocity  
A.R.S. § 32-513

- Fraudulent documentation from foreign countries.

Joe Verdugo expressed his concern regarding reciprocity from country to country as the issue.

Donna Aune, Executive Director reported to the Board that:

- No reciprocity application from out of the country at this time and none are pending.
- (11) Applications with 1<sup>st</sup> licenses paid for but have not registered for the exam yet. – February 2012 to present.
- (5) of the applications are from Mexico – February 2012 to present.
- (14) Applications paid and registered to take the exam, but have not passed or have not set a date. February 2012 to present.
- Total reciprocity applications from July 2012 to June 2013 were 3,413 and 1,631 were licensed during that period.

Donna Aune, Executive Director stated through her research that Minnesota Nevada as well as other states do what this Board does which is take reciprocity applications case by case, verify the information and require the exam, except this Board goes a step further and requires the Law Review/Infection Protection class.

  - Questions and answers regarding Board authority and process

Students from Carsten Institute of Cosmetology, Penrose Academy and Imaj Institute were in attendance.
