Continued from August Board Meeting

Gabriella Kaminsky was sworn in and stated that she went to cosmetology school about 10-years ago and started out as a hair and makeup artist and started to learn eyelash extension 4-years ago and in the lash community we don't have clear guidelines. When we go to our courses they tell us we are allowed to take models from home so I was under the impression that we could do this and had the model sign a consent form. Since then I have taken 4-5 courses and have received my license as an educator and I also have a licensed salon.

Investigator Lisa Chavez testified that on February 19, 2019, board office received an anonymous complaint alleging Gabriella Kaminsky of applying eyelash extensions from a residence located in Phoenix Arizona. Gabriella Kaminsky advertises on social media as "Dolled up by Ella". Gabriella Kaminsky was told about an allergic reaction to certain chemicals "Carbon Black" and she recommended the complainant to take antihistamines before and after the appointment. When the complainant arrived there was a dog in the apartment and was taken to a room that was set up as a studio and several days later several of the lashed fell off and she was told it was due to weak lashes and would need to wait until they were healthy enough to have them replaced. On March 29, 2019, Investigator Lisa Chavez conducted online research of Dolled up by Ella and found the website which indicates she takes appointments. Investigator Lisa Chavez could not locate a physical address.

Shirley Ho was sworn in and stated that she has had her salon for 10-years and the first two lady that came to do inspection told us that we could reuse as long as we sanitize them. Shirley Ho stated that after the inspector came in the next day I threw all of the nail files away and now use a new file and buffer each time.

Investigator Sonia Membrila testified that on December 4, 2018, she conducted an inspection of Casual Nails located in Sahuarita Arizona and found the following: licensee reusing disposable implements and washing nail file and buffer to place in dry sterilizer for reuse, used nail file and buffers found in enclosed containers marked clean, used nail file and buffers found in dry sterilizers and no IFP guidelines posted.

MOTION by Brandy Wells for case nos. 94558/94559 & 95764/95765 to maintain consent agreement previously offered to licensee. MOTION SECONDED by Gary Begley.

Linh Hannart #11801265, Manager

Linh Hannart and Urek Hannart were sworn. Urek Hannart stated that his wife was the manager at the time with the intension of purchasing the business she wanted to see how the business operated and because at that time and shortage of staff we had a friend from Iowa come in and we thought we had 30-days to get the license for him because he was already licensed in another state. So at this point the owner has disappeared and we can't her and we came here because we don't know whose responsibility it is at this point. Urek Hannart stated that when we found out that we did not have a grace period we took care of the license from Iowa right away, we purchased the business December 28, 2018, and once we took over we solved the sanitation problem.

Investigator Lisa Chavez testified that on December 14, 2018, inspector Velma Mack conducted an inspection of Nature Nails & Spa located in Scottsdale Arizona, and found the following: establishment found allowing two unlicensed operators one working prior to licensure and one working with a license from another state, muslin roll uncovered, reused pumice stones in sanitizer and establishment found without proper display of establishment license.

Theresa Bunch Deputy Director stated that the establishment is in fact not licensed and was renewed on 10/10/19 under the previous owner's establishment license.

Urek Hannart stated that it was his mistake and that he saw the license on the wall and thought he needed to renew the license.

MOTION by Jenna Bentley for case nos. 94651 & 94652 to continue this case and to add violation of A.R.S. § 32-574 (A)(5)(8). MOTION SECONDED by Brandy Wells.
