EXECUTIVE DIRECTOR’S REPORT

- Financial
- Personnel, Board Membership and Appointments
 - ❖ “Introduction of New Board Member Amber Cepkauskas”

Executive Director Kim Scoplitte introduced Amber Cepkauskas to the Board Members and asked Ms. Cepkauskas if she would like to share a little about herself.

Ms. Cepkauskas stated that she has been a licensed cosmetologist since 1990, she is a Great Clips franchisee and owes one Great Clips, she has been with Great Clips since 1992 starting as a stylist, worked up to management and into general manager overseeing seventeen Great Clips Salons and she is excited to be a part of the Board.

- Licensing
- Information Technology

Executive Director Kim Scoplitte stated that we have begun Phase II of the scanning and asked Megan Faust to explain what this will entail.

Program Project Specialist II, Megan Faust stated that in Phase I of fiscal year 2018, we started with all of the aestheticians’, instructors’ and some nail technicians’ files, we have hundreds of thousands of files so it does take some time. In Phase II there are approximately 630 files which are of personal, salon and school licenses to be fully available in our view center and hopefully this will be completed by the end of this fiscal year and compliance will be the next phase.

Chair Gary Begley asked what will be the benefits of this. Megan Faust stated that the agency will become paperless, it will be easier to retrieve information by putting in a license number and all of the information pertaining to the licensee, salon or school would pull up and this would help our agency become more economically favorable.

2. Summary of Current Events that Affect the Arizona State Board of Cosmetology, A.R.S. § 38-431.02 (K).

This is the time for the Chair or Executive Director to give a brief summary on current events that affect the Board. It is informational only and no discussion may occur.

CONSENT AGENDA

The Consent Agenda items may be considered for approval as a single action unless a Board Member or any other interested party wishes to remove the item for discussion.

The Board may vote to go into Executive Session to discuss and consider records exempt by law from public inspection, including the receipt and discussion of information, or testimony that is confidential by State or Federal law on all agenda items under Steps 1, 2 & 3 pursuant to A.R.S. §38-431.03 (A) (2).

Ana Espinoza was sworn in and stated that she has been working for a couple of months by herself and it was pretty hard answering the phone and running here and there, so I was looking for an assistant and she was helping me and it happened to be that Friday when the inspector came in and you would think if the inspector thought she was unlicensed she would have opened the drawers and would have seen nothing in the drawers, she was next to me and Ms. Espinoza was finished with her client who asked for curls and she told her she has another customer and the individual asked if her assistant could do it so she let her, but if the inspector checked the station she would have seen there was nothing in the drawers and why would the inspector assume she was an unlicensed person. Chair Gary Begley asked Ms. Espinoza what do you believe an unlicensed individual can do in a salon. Ms. Espinoza stated they can sweep, shampoo and blow dry hair. Chair Gary
