- Information Technology Update

2. Summary of Current Events that Affect the Arizona State Board of Cosmetology, A.R.S. § 38-431.02 (K).

This is the time for the Chair or Executive Director to give a brief summary on current events that affect the Board. It is informational only and no discussion may occur.

Kim Scoplitte, Executive Director reported to the Board regarding the waiver of fees and that staff has done an enormous amount of work and has been awesome in making this happen and there is still more to do. Staff renewed 16,502 personal licenses, 4,356 salon licenses, total of renewal fees waived is between 1.2 – 3 million dollars and 610 Provisional

licenses were mailed out on May 15, 2020, with no fee. Staff is still working on refunds which have to be done one at a time due to PCI Federal guidance.

Theresa Bunch, Deputy Director stated that there were many issues with GL Solutions and staff worked with GL to work through the issues. It has been a lot of late nights but it is cleaned up. Staff designed a Provisional license with the state seal, their photos are on the license and will expire within 6-months from the date it was issued or if the candidates fail any part of the exam there is an automatic email that will go out to expire the license and if they pass their exams the provisional license will expire and their first license will be mailed out and again the fee was waived for their license.

Theresa Bunch, Deputy Director stated that she will be working with PCS and Prometric next week and that Prometric has re-opened some of their sites and PCS will be re-opening at the end of the month however it will be a slow process as they need to make sure candidates and staff are safe to resume testing.
