3. Report and Discussion of Proposed 2021 Legislation relating to the Arizona State Board of Cosmetology.

- HB 2029 Consolidation Barber Board/Cosmetology Board
- HB 2128 State Licensing; Fee Waiver
- HB 2433 State Agencies; Cash Payment; Acceptance
- SB 1149 Occupational and Professional Licensure; Notice

Kim Scoplitte Executive Director stated that HB2029 Consolidation Barber Board/Cosmetology Board and SB1149 Occupational and Professional Licensure Notice both have passed and have been signed by the Governor.

Regarding HB2128 State Licensing Fee Waiver the last action was March 9, 2021, where the bill was sent to the Senate for a second read. HB2433 State Agencies Cash Payment Acceptance the last action was February 22, 2021 where the bill was sent to the senate and now the bill has a Final Disposition of held in the Senate.

Kim Scoplitte Executive Director stated that staff will be meeting with Trista Guzman from the Governor's Office regarding the consolidation of the Barber Board and Cosmetology Board on June 25, 2021, for guidance on the consolidation.

4. Discussion, Consideration and Possible Action on Provisional License.

Gary Begley Board Chair stated that the Board has recently been made aware of an increasing number of testing candidates who either failed or received low grades. The development has caused concern and confusion in Arizona. Inquiries have been made with the vendor who has been providing the test for many years with no issues. Mr. Begley added that the vendor is aware of the concerns and is conducting an internal review of its testing process. Mr. Begley informed the Board that as a result of this recent trend, the Board has received a large number of complaints from testing candidates and the industry. Mr. Begley continued by stating that in order to provide a forum to whoever would like to address the Board on this topic, the Board has added a Call to the Public at the end of its agenda for this meeting. Mr. Begley stated that typically if a candidate does not pass the test their provisional license is withdrawn. He suggested, however, that due to the unaccounted-for changes in the pass rates and given the fact that the vendor is conducting an internal review of its exam

practices, he would like those testing candidates that have failed to continue to practice under their provisional license. He stated that he believes that this is the right and fair thing to do since it is unclear if their failure was the result of a lack of competence or a problem with the testing process. He concluded his comments by proposing that the Board allow those testing candidates who fall into this category the opportunity to continue to practice under their provisional license until the vendor has reviewed their appeal and made a final determination.

After discussing Mr. Begley’s proposal, the following motion was made.

MOTION by Gary Begley to allow candidates who failed their test to continue to practice under their provisional license for six months in order to allow the candidate and the vendor sufficient time to review the particulars of that candidate’s examination and resolve the matter. The motion includes the requirement that the candidate inform the Board by phone or email that they have appealed the results of their test and are pursuing a resolution with the vendor. MOTION SECONDED by Thomas Rough.

1. 95724, 96210 & 9621 Marissa Morris #91900020, Director/Instructor **9:15. a.m.**
Sigma Cuts School of Beauty

Attorney General, Marc Harris reviewed this case with the Board and stated that the Board might recall that this case came before you at the March 19, 2021, Board meeting.

However Ms. Morris did not appear and at that meeting the Board Granted the State’s Motion to Deem.

The order which resulted in the Board’s motion was to adopt the factual allegations in the complaint and notice of Hearing as Findings of Facts and the alleged violations in the Complaint and Notice of Hearing as Conclusions of Law and the Board issued a revocation.

On April 22, 2021, the Board received a letter from the respondent Ms. Morris and I believe that the respondent’s letter and the State’s response are in your Board materials and even though the letter was sent to the Board there was no entitlement to a rehearing the State is treating it as such. In that letter Ms. Morris basically explains why she got into this bad business relationship that resulted in the action of the Board taken on March 19, 2021. However in her letter she doesn’t ask for a hearing or a review specifically she does not cite the Board’s rule setting forth the reasons for granting such a request and it is for all of those reasons the State asks that you deny a request for a rehearing or review.

MOTION by Jenna Bentley for case nos. 95724, 96210 & 96211 to Grant a request for rehearing. MOTION SECONDED by Brandy Flores.
