Investigator Amber Bingham testified that on January 20, 2018, Board office received a complaint from Janet Munguia alleging she went to Robert’s Hair Salon and Robert performed the service that damaged her hair. The Complainant requested an Ombre hair coloring and he fried her hair, there were blotchy areas of yellow, blonde and orange tones and alleges he left her under the hair dryer for too long. The complainant requested a partial refund but Robert refused.

On February 12, 2018, Investigator Amber Bingham contacted complainant Janet Munguia and conducted an interview/investigation via phone. Janet Munguia stated that on or about January 1, 2018, she went to Robert’s Hair Salon and received an Ombre color service and stated the following: Janet showed Robert a picture of the desired hair color/Ombre. Robert applied the color to Janet’s ends in foils and was placed under a hooded heated dryer for about one and a half hours. Robert’s wife rinsed out the color and performed a blow-dry service on Janet. Janet paid about \$70.00 in cash and was given a written receipt. On February 10, 2018, Janet received a corrective color service from a different salon.

Investigator Amber Bingham stated on March 1, 2018, she and Investigator Lisa Chavez went to Robert’s Hair Salon and presented a copy of the complaint to Robert Howel who stated he applied Rusk lightener with 20 volume and checked Janet’s hair every 5 to 10 minutes. He informed the investigator that he did not place the complainant Janet under the dryer. Investigators proceeded to check health, safety, infection protection and license display and found the following: floor soiled with hair (no clients in the salon), wet disinfectant open (not enclosed no lid), no salon establishment license (not issued for address and not displayed), Hair implements open and not enclosed, Wax pot without lid and wax stick left in wax (wax pot not on at time of investigation) and Robert’s station soiled with hair. 2. 92742 Robert Howel #11500683, Licensee/Owner  
 Continued from July Board Meeting

**9:45 a.m.**

Robert Howeil was sworn in and stated the first time she come in I wash her hair I see spots and Robert asked her what is that and Kristian said she was going to have an operation on her scalp, and Robert said you should postpone the perm until you see what your doctor says. Kristian told me to go ahead and do the perm. Kristian liked the perm, I told her not to wash her hair for 4-days and on the fifth day she came into the salon and said doctor told me don't do perm and she wanted her money back. Robert said why would you get a perm if your doctor told you not to and there is nothing wrong with your hair no damage. Board Member Jenna Bentley asked if there were any documentation/receipts from urgent care or from the physician. Investigator Amber Bingham stated only pictures of the prescriptions no documentation from a physician or from urgent care.

Complainant Kristian Winlock, was sworn in and stated that Robert had asked why I had patches of short hair. I explained to him it was from surgery I had a year before and I had been cleared for such perms. Initially I was happy however, I did not realize how much hair he had cut off until after the doctor had washed my hair and I used the flat iron, I saw how much was cut. Kristian stated she just wanted a refund and she would not go to the State Board. Kristian stated she went to urgent care because she had burning throughout her head.

Investigator Amber Bingham testified that on February 12, 2018, Board office received a complaint from Kristian Winlock alleging she went to Robert's Hair Salon on January 31, 2018, for a trim and spiral perm performed by Owner Robert and stated the following: paid \$110.00 for both services, requested a V-cut which resulted in a smile cut and jagged up to her shoulder, spiral perm resulted in over processed hair and burning of the scalp with blisters, returned to the salon February 4, 2018, to show Owner Robert who roughly went through her scalp and flipped her hair and said, "your hair isn't burned", complainant told Owner it was her scalp. Owner grabbed complainant's hair on the right side and she slapped his hands requesting that he does not do that, complainant's friend called the police and a report was filed. Owner blaming the missing hair from a previous surgery complainant went through.

On March 1, 2018, Investigator Amber Bingham and Lisa Chavez conducted an interview/investigation with Kristian Winlock who stated the following: on or around January 31, 2018 she went to Robert's Hair salon and received a spiral perm and trim perm performed by Owner Robert Howeil. Kristian stated she requested a 1-inch cut from the ends and said 7-8 inches were cut. Robert used purple and white perm rods, after perm was applied Robert wanted to place me under the dryer but the dryer was not working and Robert used a cap. Kristian stated that she told Robert that her head was hot and Robert left the perm on another 10 to 15 minutes. Robert rinsed the perm out for about 30 seconds and placed the neutralizer on for about 15 minutes and then rinsed. Kristian stated she paid \$110.00 and left the salon with wet hair and was told not to wash her hair for 4-days.

On January 31, 2018 Kristian informed the Investigator that she went to the urgent care due to her scalp burning. The doctor washed her hair examined and prescribed medicated shampoo and ointment. Kristian stated she went back to the salon and requested a refund and was denied due to washing her hair, mall security was called.

On March 1, 2018, Investigator Amber Bingham and Lisa Chavez went to Robert's Hair Salon to present a copy of the complaint to Owner Robert Howiel who denied the allegations. Robert confirmed that Kristian received a perm and a haircut service. Robert stated he had a consultation with Kristian who has been advised by a doctor not to receive perms and they would not be good for her scalp due to a previous surgery. Robert stated he did the following: cut 1 ½ inches prior to the perm service, used purple and white rods, rods were rolled 1-inch from the scalp to avoid scalp irritation, perm was left on for about 30 minutes with processing cap, no dryer, perm was rinsed until water ran clear, placed neutralizer on for 7 to 10 minutes and then rinsed and Kristian paid \$85.00 for perm service. Robert informed the Investigators he advised Kristian not to wash her hair for 4-days after the perm serviced was done. Investigators proceeds to check health, safety, infection protection and license display and found the following: floor soiled with hair (no clients in the salon), wet disinfectant open (not enclosed no lid), no salon establishment license (not issued for address and not displayed), hair implements open and not enclosed, wax pot without lid and wax stick left in wax (wax pot not on at time of investigation) and Robert Howeil station soiled with hair. Investigator presented photos to the Board Members.
