2. Report on Governor's Regulatory Review Council (GRRC) Meeting February 4, 2020, regarding A.R.S. § 41-1033 (G) Petition from Ms. Kathleen Tucker.

Kim Scoplitte, Executive Director stated that on February 4, 2020, Irma Telles, Investigative Supervisor along with the Executive Director attended a meeting held by the Governor's Regulatory Review Council regarding a Petition from Ms. Kathleen Tucker. After discussion the council finds that the requirement in R4-10-111(D) that a licensee providing mobile services must display a duplicate personal and establishment license in the area where mobile services are provided is unduly burdensome or is not demonstrated to be necessary to specifically fulfill a public health, safety or welfare concern pursuant to A.R.S. § 41-1033(G).

Council motioned to modify R4-10-111(D) as follows: A licensee performing mobile services shall prominently display a ~~duplicate~~ photocopy of the licensee's personal and establishment license in the area where mobile services are provided. The licensee's original

license shall be prominently displayed in the salon from which the licensee was dispatched in accordance with subsection (C).

Kim Scoplitte, Executive Director stated that on February 5, 2020, she received via e-mail Council's Letter of Decision with instructions to file electronically with the Secretary of State's office along with a request to have published in the next edition of the Administrative Register a Notice that the Board is modifying the rule consistent with the Council's instruction and that the effective date of the modified rule will be the date the Board files the letter with the Secretary of State's office.

3. Report and Discussion on 90/10 Executive Directors' Meeting held on January 22, 2020.

Kim Scoplitte, Executive Director stated that on January 22, 2020, Theresa Bunch, Deputy Director, Irma Telles, Investigative Supervisor, Kari Watins, Service Officer I accompanied her to the 90/10 Executive Directors' meeting.

Trista Guzman-Glover from the Office of Boards and Commissions introduced herself and is now the new Director and Trista Guzman-Glover stated that she will be working on the Board's vacancies.

Kayleigh Larkins and Genny Wilson from GAO Internal Audit's spoke on Internal control Self-Assessment Survey's which are due on April 30, 2020, the GAO Webstory Updates which the agency receives, Travel Updates and handouts that any staff that travel needs to review and indicated that training on travel will be coming soon on TraCorp.

Owen Zorge, State Compliance and Privacy Officer from ASET spoke on threats to data, phishing e-mails and how to report and handle suspected phishing, spam and other security events.

Chuck Brown from ADOA-ASET Engagement Team, spoke on how the engagement team and managers work with agencies to find solutions and determine what is best for the agency.

4. Update Regarding Infection Protection/Law Class Schedule.

Kim Scoplitte, Executive Director stated that on or about January 16, 2020, Theresa Bunch, Deputy Director along with the Executive Director had a conversation with Emily Rajakovich, Director of Boards and Commissions who had called regarding some concerns coming in regarding the availability and flexibility in the infection protection and law class. We had indicated how many classes were currently offered and Emily Rajakovick felt that was not enough classes. We suggested we could try having the class every Monday to see how that goes. We also indicated concerns that this takes staff, inspectors and investigators who give and participate in the preparation of the class away from their duties for the addition of more classes. Starting February 10, 2020, classes are offered every Monday except on holidays.

Emily Rajakovick also spoke to us about an idea to partner with private industry, schools and any other stakeholders interested in offering the infection/law class themselves for new employees or students. Emily stated as a large employer of exempted stylists, DryBar came up with a potential pilot program to offer the class to the company's new hires as part of their training. Amy Ross is with DryBar and is a franchise owner who is interested in partnering with the board to offer the infection protection and law class directly.
